

## 1<sup>ST</sup> DEVORAN BROWNIES

Brownies are girls who are members of Girlguiding between the ages of 7 – 10 years of age. They meet weekly during term time in the Parish Centre, Devoran. Most of the girls live in Devoran or Carnon Downs.

Within the Brownie programme is a section called 'Fit and Active'. This also helps with team building skills and confidence building as well as fitness and enjoying being active.

To help with 'Fit and Active' and also to give more variety during their meetings we would like to purchase items of equipment which could be used indoors and sometime out of doors when weather permits.

The girls enjoy playing games and a selection of bean bags, flexible balls, skipping ropes, colour dice and cones would all contribute greatly to their enjoyment of team and individual activities.

Balance domes and rockers and agility slats would be used in individual challenges and included in obstacle course events suitable for the ability and confidence of the individual girl.
